TWO WAYS YOU CAN HOST A WATCH PARTY

1

HOST A VIRTUAL WATCH PARTY

with everyone participating
from their own homes

Reach out to your friends, family, and colleagues and invite them to join you. Consider utilizing Zoom, FaceTime, and other technology to stay connected during and after the event.

2

HOST AN IN-PERSON WATCH PARTY

and live-stream the event
from your home

Gather with folks however you are comfortable. You may want to have appetizers, desserts or a meal delivered from a local restaurant. However you gather, we encourage you to host responsibly in accordance with current COVID-19 guidelines.

YOUR NEXT STEPS AS A WATCH PARTY HOST:

SAVE THE DATE — *Make plans to join us virtually on November 5th.*

REGISTER ONLINE — *A member of our event team will be in touch to answer any questions and get you set up with promotional materials.*

PROMOTE — *Spread the word and inform others of the importance of this event and the various ways they can be involved.*

INVITE — *Personally invite 8-10 guests who will join your watch party on November 5th for the live-stream event.*

ENGAGE — *Prepare your guests in advance on what to expect during the evening. Remember, this is the largest fundraiser of the year for Healing Farms. Keeping your guests engaged, encouraging them to participate in the silent auction and presenting the opportunity to give is key to our success.*

With your help and commitment, we will make this fundraising banquet the best yet! Together we can make a difference and inspire our community to **#SeeAbility!!!**
